Access Your Child's Google Classroom

Watch the video for step-by-step instructions or follow the steps below to find your child's Google Classroom Login information.

1. From your Educate home screen use the left column menu and click **School.**

2. Then click **Students.** Select your child.

3. Select the **Demographic** tab, then click **demographic** to get a drop down of information, which will include student email and locker combination which is the student's Google password.

4. Navigate to Google using your internet browser. Using the information obtained in #3, login to your child's Google account.

5. Find the Google apps button in the top corner of the browser and select **Classroom**. Here you will find the student's classes that are updated with a daily objective.
