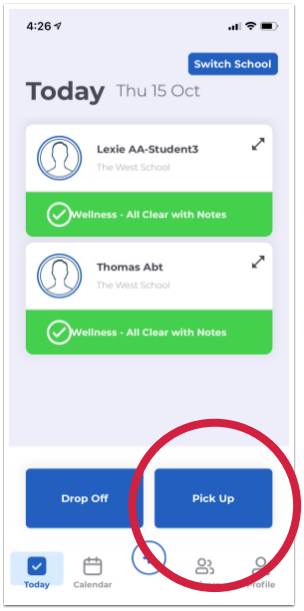
Using SchoolPass During Dismissal for Grades 4-8

Instructions for use during afternoon dismissal. (Does not apply for early release.)

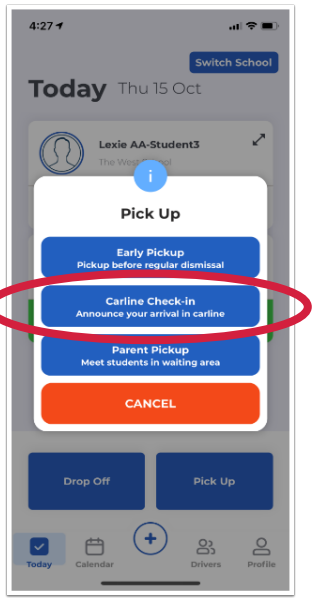
1

Tap “Pick Up”



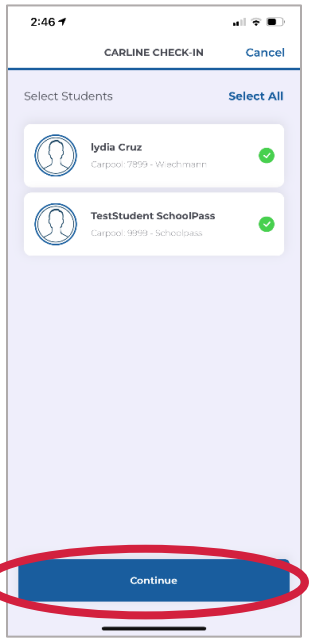
2

Tap “Carline Check-In”



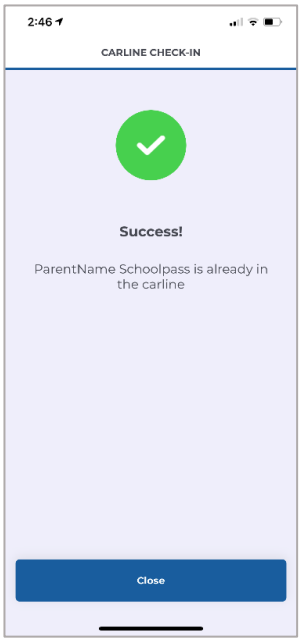
3

Select the children you are picking up and tap Continue.



4

Success! Children will be released when class ends.



Troubleshooting

If the SchoolPass app is opened before arriving at Breakaway Academy, you must close and reopen it upon arrival to refresh. Be sure to close the app, not just exit. See next page for more info.

SchoolPass Troubleshooting

When SchoolPass gives you trouble, refreshing is the quickest fix. The easiest way to refresh the app is to fully close it down following the video instructions linked below.

Closing Apps on iphone

Closing Apps on Samsung

Early Pickup Mode

The app uses geofencing, so if the app is open before you arrive at Breakaway Academy, the app remains in "Early Pickup" Mode. In this mode, we do not receive the notification that you've arrived. To fix, refresh the app by following the instructions above.
